

I am **Nima Niazi**, developer and musician. I have studied English Language and Literature at University of Tabriz and currently I am enrolled as a full-time graduate student studying ITP at NYU TISCH. I have been working as a live and session electric guitar player for the past 9 years. During the past 3 years, I have shifted my focus more towards being a developer and I have been working as a freelance full-stack web developer since 2021. A selection of my work is available at my website.

### Degrees and Certificates:

- B.A. English Language and Literature from University of Tabriz
- IELTS with a band score of 8.5
- CS50x

### Work Experience:

- Professional session guitarist (January 2018 - March 2022)
- Founder and maintainer of Neckboard.com, a music educational web application.
- Full-stack web developer (March 2021 - Current)

### Skills:

- Music Composition
- Sound Design
- Audio Mixing and Editing
- Programming (JavaScript, TypeScript, HTML, CSS, SCSS, React, Next.js, Vue, Python, Django, GraphQL, C++, C#, Java, JUCE, Docker)
